Notes to users of the English version of this document:

- To ensure the greatest possible applicability of this document, IAS/IFRS English terminology has been used.
- Please note that decimal points remain unchanged from Danish version of the document. This means that DKK 146.940 corresponds to the English amount of DKK 146,940, and that 23,5 % corresponds to 23.5 %.

Liquidator's report

The liquidator has today presented the annual report of EMF Tankers XVIII ApS under frivillig likvidation for the financial year 1 January to 19 November 2020.

The annual report has been presented in accordance with the Danish Financial Statements Act.

We consider the accounting policies used appropriate, and in our opinion the annual accounts provide a true and fair view of the company's assets and liabilities and its financial position at 19 November 2020 and of the company's results of its activities in the financial year 1 January to 19 November 2020.

We are of the opinion that the liquidator's review includes a fair description of the issues dealt with.

We recommend that the annual report be approved by the general meeting.

Copenhagen, 20 November 2020

Liquidator

Liquidator

Independent auditor's report

To the shareholders of EMF Tankers XVIII ApS under frivillig likvidation

Opinion

We have audited the annual accounts of EMF Tankers XVIII ApS under frivillig likvidation for the financial year 1 January to 19 November 2020, which comprise accounting policies, profit and loss account, balance sheet and notes. The annual accounts are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the annual accounts give a true and fair view of the company's assets, liabilities and financial position at 19 November 2020 and of the results of the company's operations for the financial year 1 January to 19 November 2020 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with international standards on auditing and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the below section "Auditor's responsibilities for the audit of the annual accounts". We are independent of the company in accordance with international ethics standards for accountants (IESBA's Code of Ethics) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these standards and requirements. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Liquidator's responsibilities for the annual accounts

The liquidator is responsible for the preparation of annual accounts that give a true and fair view in accordance with the Danish Financial Statements Act. The liquidator is also responsible for such internal control as the management determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report including an opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with international standards on auditing and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements may arise due to fraud or error and may be considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions made by users on the basis of the annual accounts.

As part of an audit conducted in accordance with international standards on auditing and the additional requirements applicable in Denmark, we exercise professional evaluations and maintain professional scepticism throughout the audit. We also:

Independent auditor's report

- Identify and assess the risks of material misstatement in the annual accounts, whether due to fraud or error, design and perform audit procedures in response to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting a misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used by the liquidator and the reasonableness of accounting estimates and related disclosures made by the liquidator.
- Evaluate the overall presentation, structure and contents of the annual accounts, including the disclosures in the notes, and whether the annual accounts reflect the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

Statement on the liquidator's review

The liquidator is responsible for the liquidator's review.

Our opinion on the annual accounts does not cover the management's review, and we do not express any kind of assurance opinion on the management's review.

In connection with our audit of the annual accounts, our responsibility is to read the management's review and in that connection consider whether the management's review is materially inconsistent with the annual accounts or our knowledge obtained during the audit, or whether it otherwise appears to contain material misstatement.

Furthermore, it is our responsibility to consider whether the liquidator's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we believe that the liquidator's review is in accordance with the annual accounts and that it has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not find any material misstatement in the liquidator's review.

Liquidator commentary

The principal activities of the company

The company's purpose is to invest directly and indirectly, as well as carrying on other activities that are naturally related to shipping.

Development in activities and financial matters

The gross loss for the year is TDKK -3.184. The results from ordinary activities after tax are TDKK 13.906. The management consider the results satisfactory.

The company's associated enterprise has sold their vessel to unaffiliated third parties. The sale was successfully concluded and the vessel was delivered to new buyers.

Accounting policies

The annual report for EMF Tankers XVIII ApS under frivillig likvidation have been presented in accordance with the provisions under the Danish Financial Statements Act concerning companies identified as class B enterprises with the modifications caused by the liquidation.

The most significant modifications caused by the liquidation

Assets and liabilities are measured at realisable values. As a result of the liquidation, all assets are recognised under current assets, whereas all liabilities are recognised as short-term liabilities.

Translation of foreign currency

Transactions in foreign currency are translated by using the exchange rate prevailing at the date of the transaction. Differences in the rate of exchange arising between the rate at the date of transaction and the rate at the date of payment are recognised in the profit and loss account as an item under net financials.

Debtors, creditors, and other monetary items in foreign currency are translated by using the closing rate. The difference between the closing rate and the rate at the time of the occurrence or the recognition in the latest annual accounts of the amount owed or the liability is recognised in the profit and loss account under financial income and expenses.

Income statement

Gross loss

Gross loss comprises the revenue, changes in inventories of finished goods, and work in progress, work performed for own account and capitalised, other operating income, and external costs.

Revenue is recognised in the income statement if delivery and passing of risk to the buyer have taken place before the end of the year and if the income can be determined reliably and inflow is anticipated. Recognition of revenue is exclusive of VAT and taxes and less any discounts relating directly to sales.

Other external costs comprise costs for administration.

Net financials

Net financials comprise interest, realised and unrealised capital gains and losses concerning financial assets and liabilities, amortisation of financial assets and liabilities, additions and reimbursements under the Danish tax prepayment scheme, etc. Financial income and expenses are recognised in the profit and loss account with the amounts that concerns the financial year.

Tax of the results for the year

The tax for the year comprises the current tax for the year and the changes in deferred tax, and it is recognised in the profit and loss account with the share referring to the results for the year and directly in the equity with the share referring to entries directly on the equity.

Accounting policies

The company is subject to the Danish legislation concerning compulsory joint taxation with the Danish group enterprises.

The current Danish corporate tax is allocated among the jointly taxed companies in proportion to their respective taxable income (full allocation with reimbursement of tax losses).

The balance sheet

Financial fixed assets

Other securities and equity investments

Unlisted securities are measured at cost. Writedown takes place to the recoverable amount, if this value is lower than the book value.

Available funds

Available funds comprise cash at bank and in hand.

Liabilities

Other liabilities are measured at amortised cost which usually corresponds to the nominal value.
